Experience

Media & Promotion Head — ACM Student Chapter, Nirma University — *Sep 2025 – Present*

- Strategized and executed end-to-end digital marketing campaigns for technical events, significantly boosting student engagement and registrations across platforms.
- Designed creative promotional content (posters, reels, emailers, and announcements) aligned with ACM branding and event objectives.
- Led publicity for the **"Prompt-to-Prototype" workshop**, translating complex AI concepts into compelling narratives that attracted high participation and strong post-event feedback.
- Collaborated with core team, speakers, and faculty to ensure consistent messaging before, during, and after events, enhancing event visibility and impact.

Projects

Grade Calculator Web Application (Nirma University)

- Designed and developed a web-based grade calculator to compute **required semester-end exam marks** based on internal assessments including class tests, sessionals, assignments, and lab evaluations.
- Built specifically for **Nirma University students**, handling real-user inputs with accurate validation and edge-case handling.
- Automated grade computation logic, reducing manual calculation errors and improving academic planning for students.
- Deployed a responsive and reliable application capable of supporting concurrent users.
- **Tech Stack:** HTML, CSS, JavaScript, Flask, MySQL (Basics)
- **Live Project:** https://nirmagradecalc-olrwx71.public.builtwithrocket.new/
